

August 26, 2016

Colony Park II Resident Dog Owners only:

We appreciate your willingness to continue to take your dogs out through the garage. This helps to keep our lobby nice and tidy.

Every year, we collect a dog owner fee of \$50 per dog. These fees help offset maintenance costs that result from our beloved pets.

If you have not paid them for 2016, please log into your account online at <http://www.cmacommunities.com>. **All fees are due by Sept 15, 2016**. If they are not in the office by September 16, 2016 your account will be charged for your pet fees and a late statement will be sent to you.

Thank you in advance for your timely payment as a provision exists to levy fines to ensure compliance.

Thank you,

Nada London, AB
